

Taking Action to Improve Access and Equity in Opioid Use Disorder Care Application

Questions

We provide a maximum character count for each of the questions below, though please keep in mind that in doing so, we are not encouraging you to use more characters than you need to describe your project.

Name of Project:

Project Leader Name and Title:

Project Leader Email and Phone Number:

Targeted focus area (please select one): Which of the three focus areas does your project fall under?

Making Care More Welcoming

Supporting Workforce and Organizational Capacity

Strengthening Linkages to Care and Care Coordination

Project elevator pitch (750 characters or less): Utilizing the third-person point of view, please provide a brief, persuasive description of your project and how you will utilize RIZE funding. Please note: If your project is selected for funding, your elevator pitch may be used publicly to describe your project.

Organizational description (1,000 characters or less): Please describe your organization and the people you serve. Include the cities/towns you serve, with patient or client demographics including race, ethnicity, age, and gender. If you do not collect this data, please note why and add any information you do collect about your patients or clients.

Project description (2,000 characters or less): Please describe your project in detail. How will your project improve access and equity in care for Black, Latine, and Indigenous people with OUD? Is this a new project, or enhancing /sustaining a current project?

Project activities (3,000 characters or less): What are your project components and steps you will take to carry it out?

Project management (750 characters or less): Who on your team will lead your project and how will your organization support their success?

People with lived and living experience (1,000 characters or less): How do you/will you engage Black, Latine, and Indigenous people with lived and living experience with OUD to design and tailor your project?

Measurement and learning (1,000 characters or less): What are the desired outcomes for your project and how will you measure success? How will this learning be used to continuously improve care for Black, Latine, and Indigenous people with OUD? Please feel free to include how you think your project could benefit from evaluation support. *Note that proposed measures may be adjusted post-award and will benefit from the support of RIZE and its evaluation partner to finalize, if selected for funding.*

Collaboration (1,000 characters or less): If your project proposes a partnership that will be funded through this grant, please explain in detail, including your plans to outreach and initiate partnership. If not applicable, please leave blank.

Budget: Please complete the following budget form.

Attachments: Please include the following attachments with your submission for your organization or your fiscal agent's:

- IRS 501(c)(3) determination letter
- Most recent audit or financial review (for organizations that have them)
